AMENDMENTS TO THE CLAIMS

1-23. (CANCELLED)

24. (PREVIOUSLY PRESENTED) A decorative security doorway, comprising:

a doorframe;

a door mounted in said doorframe; and

a generally planar decorative image, said image having a door portion located on said door and a doorframe portion located on said doorframe;

wherein said door portion of said image comprises a number of rigid cross members which are interconnected to form a security barrier, and said doorframe portion of said image comprises a visual extension of said door portion onto said doorframe.

25. (PREVIOUSLY PRESENTED) The doorway of Claim 24, wherein said decorative image comprises one or more palm trees.

26. (PREVIOUSLY PRESENTED) The doorway of Claim 24, wherein said decorative image comprises vines and leaves.

27. (PREVIOUSLY PRESENTED) The doorway of Claim 24, wherein said door is mounted in said doorframe via one or more hinges.

28. (PREVIOUSLY PRESENTED) The doorway of Claim 24, wherein said door is slidably received in said doorframe.
